2. Exclusions

- 2.1. Earthquake, and any fire, explosion, tsunami or landslip resulting from earthquake, is excluded from this policy. Earthquake cover is granted only on payment of an additional premium and issue of an endorsement.
- 2.2. Theft and escape of water cover are suspended automatically where the premises are left unoccupied for more than 30 consecutive days.
- 2.3. Loss caused by lack of maintenance, wear and tear, mould, damp or infestation is excluded.
- 2.4. Damage caused by frozen pipes is not payable where the policyholder has failed to take reasonable precautions.

2.5. Items kept on an open balcony, terrace or in the garden are not covered under contents.

2.6. Total payment for precious metals, jewellery, cash and collections is limited to GBP 15,000.

2.7. Tenant's improvements and fixed installations are not covered unless specifically noted in the schedule.

3. Claims Notification and Settlement

3.1. The policyholder must notify the insurer in writing within **five working days** of becoming aware of the loss. Where notification is not given or is given late, the insurer may reduce the settlement to the extent the loss has been increased.

3.2. Theft claims must also be reported to the police within 24 hours and a report obtained. No payment is made where a police report is not produced.

3.3. The insurer appoints the loss adjuster. Fees for an adjuster appointed by the policyholder are not added to the settlement.

3.4. Settlement is paid within 45 days of receipt of all required documents. Where documents are incomplete, this period restarts from the date the omission is remedied.

3.5. The insurer is subrogated to the policyholder's rights against third parties up to the amount paid.

4. Premium and Validity

4.1. Where the deposit or first instalment is not paid, the policy is treated as never having been issued and the insurer's liability does not begin.

4.2. Where any instalment is not paid on its due date, the insurer suspends cover for 15 days without notice. If payment is not made within that period the policy terminates automatically and premium for the elapsed days is retained by the insurer.

4.3. Late payment attracts interest at 4.5% per month.

5. Duty of Disclosure

5.1. The policyholder must disclose all matters relevant to the assessment of the risk before the policy is issued. Where a statement is found to be untrue the insurer may withdraw from the contract, or reduce the settlement in the proportion the premium paid bears to the premium that should have been charged.

5.2. Alterations, change of use and any period of vacancy during the policy term must be notified within eight days.

6. Renewal and Cancellation

6.1. The policy renews automatically for a further year on the same terms unless either party gives written notice at least **thirty days** before expiry. The renewal premium is set under the insurer's published tariff.

6.2. Where the policyholder cancels during the term, premium for the unexpired period is refunded under the short period scale. Under that scale 40% of the annual premium is treated as earned for the first three months.

6.3. The insurer may cancel on 15 days' notice where the risk has materially increased.

7. Disputes

7.1. Disputes arising under this policy may be referred to the insurance arbitration scheme. Where arbitration is chosen, the award is final for disputes up to GBP 15,000.

7.2. The courts of Bristol have jurisdiction.

7.3. Matters not covered by this policy are governed by the standard home insurance conditions.
